Terms and Conditions of Coaching

All clients booked for the term must be committed to the length of the term, which includes scheduled make-ups.

Where a lesson has been cancelled by the coaching staff due to bad weather or for other reason, this lesson will be made up at the next available opportunity, usually during the school holidays.

Where a client is unable to attend a lesson and appropriate notice has been given (24 hours), in the case of a private lesson a make-up will be offered; in the case of a group lesson, the client will be offered a place in a group of a similar length and level throughout the term. If this has not been possible to arrange, a scheduled group make-up for all such cases will be organised during the school holidays. Clients must call the head coach and book in a place for this group make-up lesson.

Where a client misses a lesson (or make-up lesson) with very little or no notice being given, please note that the coaching staff is not obliged to offer a make-up, although in the interests of furthering your tennis, all efforts will be made to offer this.
